OUR SOLUTION

Get points of interest data

Infobel Global Places is the ideal solution for global-, local- and geo-search sites or for vertical websites.

Our added value

With a reliable database of more than 186 million businesses and points of interest worldwide, Infobel provides quality data updated on a daily, weekly or monthly basis.

All our businesses and points of interest are categorized into more than 3500 categories that include both rich and granular information, which gives a full view of a business' activity at a local level.

The ideal solution for:

- Research engines
- Local research sites (in Europe)
- Cartographic research sites
- Internet sites specialised in professional sectors, etc.

Data access

- At Infobel via an XML API
- Delocalisation of data at client sites (for "company" data only)

Type of data
